CANCELLATION

The purchaser may cancel this Agreement by first notifying the selling dealer where the Agreement was purchased and by receiving from them an odometer statement indicating the odometer reading at the date of the request for cancellation. The odometer statement along with a short letter stating the reason for cancellation and current date must then be faxed or mailed to Alpha Warranty Services. Cancellation requests with incomplete information will not be processed.

If the purchaser cancels this Agreement within the first thirty (30) days, Alpha Warranty Services will refund the entire Agreement purchase price, less any claims paid and a fifty dollar (\$50) administration fee. If this Agreement is canceled after the first thirty (30) days, Alpha Warranty Services will refund the unearned Agreement purchase price to the purchaser calculated on a pro rata basis. The refund will be equal to the lesser amount produced using either the number of days the Agreement was in force or the number of miles the Vehicle was driven prior to cancellation, less any claims paid and an administration fee of fifty dollars (\$50).

If the Vehicle and this Agreement have been financed, the Lienholder shown on the service Contract may cancel this Agreement for nonpayment or if the Vehicle is declared a total loss or is repossessed. This right of cancellation does not confer ownership of this Agreement to the Lienholder or otherwise entitle the Lienholder to performance under this Agreement. In the event that the cost of this Agreement is part of a retail sales Contract, then the Lender of the said sales Contract shall be sole payee of any refund check. In the case of a total loss or repossession, the Lienholder shall be the sole payee of any refund check. The selling dealer is responsible for their portion of the service Contract refund.

Alpha Warranty Services may cancel this Agreement based on one or more of the following reasons: (A) nonpayment of the Agreement purchase price by the purchaser or selling dealer; (B) a material misrepresentation made by the purchaser or selling dealer; or (C) a substantial breach of duties by the purchaser or the selling dealer relating to the Vehicle or its use. If this Agreement is cancelled by Alpha Warranty Services, the refund will be the unearned Agreement purchase price to the purchaser calculated on a pro rata basis. The refund will be equal to the lesser amount produced using either the number of days the Agreement was in force or the number of miles the Vehicle was driven prior to cancellation, less a cancellation fee of fifty dollars (\$50).
